Jewish Group Seeks Halt of N.Y. Attacks

United Press International

The Union of Orthodox Jewish Congregations of America demanded yesterday that officials halt "the rash of attacks directed against Jewish houses of worship and study in New York City."

Delegates attending the Union's 70th anniversary bien-

ennial national convention made the demand in telegrams to Mayor John V. Lindsay, New York Gov. Nelson A. Rockefeller and Sen. Jacob K. Javits (R-N.Y.).

Signed by Rabbi Joseph Karasick, president of the Union, the telegrams expressed "shock and outrage" after the delegates learned that the Yeshiva of Eastern Parkway in Brooklyn had been burned Wednesday—the 11th Jewish institution to be damaged in the New York City area in the past three months.
